An illustration of a hand with a white outline pointing upwards towards a funnel diagram. The funnel is composed of several colored segments: a yellow top segment with a lightbulb icon, a red segment with a dollar sign (\$), a teal segment with a globe icon, a blue segment with a gear icon, and a purple bottom segment with a percentage sign (%). The background is a light pink shape with a dark blue area at the bottom left containing circuit-like lines and a small bar chart with orange bars. The overall theme is interactive learning and technology.

There's never a
dull moment with
**interactive
learning.**
